FROM OUR SENIOR DIRECTOR - CHARLIE STEFFY - BDE #374

Season's Greetings to the Buick Driving Enthusiasts!

Well, we almost made it through 2020! A year that was both memorable and one we would like to forget. Yes, there have been many things we could all bitch and fuss about in 2020 but then again there have been some good things to come out of this mess. If nothing else, this year has been one big Pause button. A chance to stop and reevaluate our lives, our priorities and count our blessings.

I have been fortunate to live in an area where our Governor has kept things as normal as possible and the folks here have been, for the most part, doing what they can to minimize the spread of the virus. I have been able to reorganize and de-clutter in the house and in the garages. I have had time to "check things off the list"... things that have been on The List for way too long. And I have been able to keep in touch with friends and family in new ways.

I have been frustrated at not being able to participate in any tours or swap meets this year. But this will not last forever. Nothing lasts forever. The day will come when we are all out enjoying the good times of a BDE Tour and seeing new places and catching up with old friends. Our Buick Family is strong. Our Buick Family is there for one another. We just need to hang in there a little longer. As we finish out this out of the ordinary 2020 may you all stay safe, count your blessings and have those Buicks ready for many more miles of smiles down the road!

Charlie Steffy
Your leftover Director from 2019

OUR MID/SENIOR DIRECTOR - ROBERTA VASILOW - BDE #17

Well, BDE'ers, hope all is well with you and yours, it's been an interesting year or lack thereof things to do, but interesting and wondering what lies ahead.

I did get out twice to the drag strip, and to two drive by birthday celebrations, and one tour around the historical places in Flint, which was fun, got a t-shirt from Back to the Bricks for doing that! They had to do something with free t-shirts that were already printed.

Took the GSX to Dave Langdon's funeral, which made for some interesting conversations with a couple guys, that worked at Buick, it was hard not to argue with them about engines and other silly stuff they thought they remembered. LOL!

The speculation on when the world will be 'normal' again', is not very conducive to planning anything for the coming year, and Michigan got shut down for another 12 days today. How is it where you are? I suspect, we're all in the same situation or similar.

So, Merry Christmas and best to all in Facetime, Zoom, or Facebook video when you can't be with the ones you wish.

Roberta

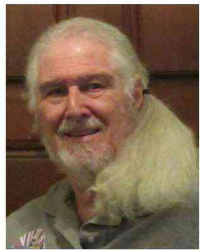

STAY SAFE!

Your "Director-in-Waiting,
Roberta

AND OUR JUNIOR/MID DIRECTOR - JERRY RICHSTEIN - BDE #398

As we all know, this has been an “unusual” year, but things could have been worse and will get better.

Jean & I will get on line for a vaccine as soon as it’s available to us, and then we’ll be ready to start touring again.

Speaking of touring I heard a rumor that Roberta has been making some progress in making the 2021 National Tour a reality next June.

I’m looking forward to life getting back to normal by next summer so that I can see everyone in June, and then perhaps also in July at one, or both, of the 2021 BCA Nationals, and then the “after tour”.

Until we are all able to get together again “virtual hugs” to everyone, and please remember that “kindness is everything”!

Love & Peace,
Jerry

AND OUR YET TO BE INSTALLED 2020 JUNIOR BDE DIRECTOR - JD WESTFALL - BDE #393

Hello Fellow Buick Driving Enthusiasts,

“I can’t find my sparkplug wrench. Does anyone have a sparkplug wrench?
Oh well, blame it on Covid.”

Happy Holidays everyone. Stay safe!
Hope 2021 will be a Great Touring Year!

J D Westfall

SECRETARY - CONNIE BRUMBAUGH - BDE #143

Wow, another year has passed us by! And what a year it has been. Something that none of us witnessed before. But on an up note, I believe it’s brought us closer together as we have the time to check in on friends via the phone or social media.

If you’re like us, your cars didn’t get very many miles put on them this year. For some, it’s meant time to stay at home and work on projects. Hopefully they will get a grip on covid-19 and reduce the severe need for lock downs, etc. And that in turn will mean hitting the highways again with our Buicks!! Currently it’s very difficult to make plans but everyone involved with any of the upcoming tours is still “working on it” and anticipating being able to tour once more in June.

Please follow the recommended guidelines, do your part not to spread the virus. Stay safe and healthy and be ready to roll when the flag is waved! There’s a lot of this country yet to tour! Darrell and I wish you all a wonderful holiday season. Anxious to be together with our Buick family in a few months.

Christmas Blessings to all.
Connie

MEMBERSHIP CHAIRPERSON - MARY ANN SNELL - BDE #424

Greetings from Bethlehem, not the one you see on the Christmas cards, but the one in Pennsylvania.

As we near the end of this calendar year, this is a reminder to those who have not yet renewed their memberships for 2021 with the Buick Driving Enthusiasts I ask that you pause for a few minutes, consider all the good times we have shared and look forward to that time when we can travel the roads again and share mutual camaraderie. The membership fee remains as \$15.00.

If I do not receive your renewal timely, your membership will end.

Mary Ann Snell

Your BDE Dues are due. Please see the Renewal Form in this newsletter.

— Finally - the Last Message of 2020 —

EDITOR - PAULA LISKA - BDE #2

Good grief! Is this year almost over? I think it is time to run Father Time 2020 out of town and take his cronies with him.

Are you experiencing Covid-19 fatigue? I know I am. I'm tired of not seeing my friends, tired of not being able to go anywhere, tired of not having my so called "normal life." But even more than that, I am so angry that many did not take this pandemic seriously, and people have suffered and died because of it. People have experienced physical, mental and emotional tolls. As we move forward into 2021 we must remain vigilant and practice safety protocols. Please continue to socially distance, wear your mask and, if you can, take the vaccine when it is available. I am looking forward to the day when we can gather together and tour with our BDE friends!

Moving forward, 2021 promises some great potential events if things can be "normalized". The Annual Mecum Auction - "The World's Largest Collector Car Auction" - 10 days and 3500 cars - heads to Kissimmee January 7-17. While attending their 3 day event in August I was impressed with their safety procedures. If you are planning to attend, go to the Buick Club of America website, log into the BCA Members Only Area, and click on Mecum Auction - how to get free access. Another great bonus of BCA membership . . . a complimentary standard bidders registration, which includes a guest, and admission for all the days of the auction. BE SURE TO FOLLOW THE INSTRUCTIONS!

Hopefully we will be able to have our 2021 BDE National in June in Flint. If Michigan "opens up and is safe" Roberta has some awesome tours on the agenda. The BCA is accepting registrations for the 2021 Dual Buick Nationals - in Concord, North Carolina and Strongsville, Ohio. And there are just a few spaces for the After Tour departing Strongsville on July 11th. And concluding in Athens, Ohio on July 15th. See page 6 of this newsletter for details. Autumn will bring the rescheduled Fall Tour in Alabama. Details on that as things progress. Keep your fingers crossed that we will be able to experience these events.

So as the clock strikes midnight on December 31 and Baby New Year brings in 2021, we hope that he brings peace, joy and the opportunity to share friendship and fun again. Happy New Year everyone and thanks for sticking by the Buick Driving Enthusiasts in an especially trying time.

Thank you to everyone who helped with this issue of The Driving Force - **Ann Bell, Connie Brumbaugh, John Cavanaugh, Lynn Crutchfield, Jack Horvath, Bruce Kile, Ed Lenny, Bill McLaughlin, Jerry Richstein, Mary Ann Snell, Larry Splane, Charlie Steffy, Mike Stemen, Roberta Vasilow, JD Westfall**, and those who accidentally slipped under my computer. Without our members help we wouldn't have a newsletter. If you have something you would like to share just email me at Kliska@cfl.rr.com or via snail mail - 1424 Dogwood Court, Kissimmee FL 34744.

Go BDE! Go Away 2020!

How About a Shout Out to KATIE MONTGOMERY - BDE # 22

I recently received a note from Katie Montgomery - she and her late husband, Bob, were among the original members of the BDE.

Not only did she mention that she enjoyed receiving *The Driving Force*, she said that "caring for one another was a goal in the beginning of the BDE and hopefully now, too."

Anyway, Katie recently turned 91!!! And unfortunately we missed her birthday.

So let's send some love, belated birthday greetings and holiday wishes her way!

This & That

From **Ed Lenny - BDE #222**: This morning Isabel I were watching one of our favorite television shows, "The CBS Sunday Morning Show". They were doing a theme show and the theme was "Food". As part of the show, they discussed the effect of the Covid-19 pandemic on iconic restaurants and they mentioned that the Brookville Hotel had closed. As part of BDE Tours/After Tours, we had been there, with some of you, at least twice. Sorry to see this place go down.

ABILENE, Kan. (WIBW) - The famous chicken dinners filling plates at Brookville Hotel are coming to an end. Owners Connie and Mark Martin posted Thursday on Facebook the restaurant in Abilene is closed. The post cites the COVID-19 pandemic and lack of traffic. "We hung on as long as we could, but the writing was on the wall," their post states. "We would like to thank everyone for your patronage of the Brookville Hotel over the last 125 years." Members of the Martin family have operated the Brookville Hotel for more than a century. It moved from the town of Brookville to Abilene in 2000. "Keeping our business as simple as possible with one menu so people can actually expect the same flavors each time they come here, we're talking generations now, (is our recipe for success)," Mark Martin told 13 NEWS for a Fork in the Road segment in 2018.

A Note from Lynn

Hi Paula.

I hope that all is good with you today. For the most part, we are okay. (Two and a half months ago, I fell and fractured two ribs. I am now much better, but it is still there. About three weeks ago, Cary got a piece of meat stuck in his esophagus. It still had not moved the next morning, so we of course went to the VA hospital in Gainesville. He had an emergency upper endoscopy, spent the night in the hosp. and is fine now. They found no issues in his esophagus to cause the problem, but has a procedure scheduled next week for further exploration.

We very much appreciate your effort, as editor of a touring club newsletter, with no tours to write about. I have attached a photo of our two 2006 Terrazas. "T-Raz-1" and "T-Raz-2", photographed next to our house, with the Suwannee in the background. I hope this helps.

The way this virus has continued to have a grip on our country and world, I wonder if we will be able to get together even next summer. Fingers crossed!!! Stay smart. (Wear your mask.) Stay well. Stay alive!

Lynn Crutchfield - BDE #264

2021 After Tour is Still On!!!

Plans for the 26th (annual?) "After Tour" are still on & (hopefully) will depart from the site of the Holiday Inn in Strongsville, Ohio on July 11th. The tour will conclude in Athens, Ohio on July 15th. There is a 30 Buick room limit for this event. As of this notice we have six (6) spots remaining.

An Odd Bit of History from 1941

Karl Shapiro**

As a sloop with a sweep of immaculate wing
on her delicate spine
And a keel as steel as a root that holds
in the sea as she leans,
Leaning and laughing, my warm-hearted beauty,
you ride, you ride,
You tack on the curves with parabola speed
and a kiss of goodbye,
Like a thoroughbred sloop,
my new high-spirited spirit, my kiss.

As my foot suggests that you leap in the air
with your hips of a girl,
My finger that praises your wheel and
announces your voices of song,
Flouncing your skirts, you blueness of joy,
you flirt of politeness,
You leap, you intelligence,
essence of wheelness with silvery nose,
And your platinum clocks of excitement
stir like the hairs of a fern.

But how alien you are from the booming belts
of your birth and the smoke
Where you turned on the stinging lathes
of Detroit and Lansing at night
And shrieked at the torch in your secret parts
and the amorous tests,
But now with your eyes that enter the future
of roads you forget;
You are all instinct with your phosphorous glow
and your streaking hair.

And now when we stop it is not as the bird
from the shell that I leave
Or the leathery pilot who steps from his bird
with a sneer of delight,
And not as the ignorant beast do you squat
and watch me depart,
But with exquisite breathing you smile,
with satisfaction of love,
And I touch you again as you tick in the silence
and settle in sleep.

FLASHBACK

from John Cavanaugh - BDE #007

This picture is of my Dad and me in 1964 in Sanford, Florida. Dad gave to me the 1956 Buick Special when I was stationed at the Naval Air Station in Sanford. The car had turned 100,000 miles on the way from Chicago to Sanford.

GOOD NEWS & GOOD DEEDS

BDE members **Jack & Pat Horvath - BDE # 373** regularly volunteer for the USO. Here is their beautiful Riviera at a 'Georgia Cool Cruisers for a Cause' car show - a benefit for the USO at the Atlanta Airport, where they are regular volunteers.

Pat is seen at another car show collecting donations. The photo of their Riv was taken in their home town of Tucker, Georgia. Kudos to these fine folks for the good work they so selfishly do.

Look at the cover car illustration for the Madrid International Classic Vehicle Show

The largest showcase dedicated to classic motors in Spain is held in the Casa de Campo glass pavilion. For more than 25 years now, the Glass pavilion at the Casa de Campo de Madrid fairgrounds has hosted the largest exhibition and commercial event dedicated to the classic motor segment in Spain.

The International Classic Vehicle Show brings together national and international professionals, companies, clubs and fans. This great scenario makes it possible to highlight the wealth and excellence of the automotive heritage that is preserved in Spain while promoting the commercial activity of the business and professional fabric of this sector.

The International Classic Vehicle Show, Classic Madrid, will be on this occasion the penultimate weekend of May a benchmark for motor enthusiasts with more history in southern Europe. Hundreds of collectible and popular automobiles and motorcycles; thousands of references in automobilia (accessories, spare parts, pieces, etc); clubs and entities; and a wide program of activities to enhance actions and experiences related to automotive heritage will take place from May 21 to 23 in this emblematic space of the Casa de Campo in Madrid.
