OUR SENIOR DIRECTOR - ROBERTA VASILOW - BDE #17

Hi BDEer's!!

Hope you survived the winter and are ready to go on the best tour ever in June of 2022.

This has been in the planning stage for years, but still has not been easy due to the pandemic and state rules and lack of workers and on and on, you've all heard it all, so enough of that!

But, then there's the fuel costs, food costs and plans can change, so we have to be flexible and tolerant of things we have no control over. So please be patient as we deal with whatever happens.

The tour official starts on Sunday, June 25, but on June 24-25, the 50th Annual Sloan Museum Auto Fair (See info in this newsletter) They have reserved room for the BDE to park together at the show. This is at the newly renovated Sloan Museum of Discovery that we will visit and have lunch at on Monday of the tour. There is a lot to see, and we have donated to the museum for a brick sponsorship. Check it out when you are there on Monday.

Later we will wander over to the Applewood Estate of Charles and Ruth Mott. This tour is so awesome. If you've never been there, you must check it out. The gardens are extremely impressive, including one of the original apple trees.

Tuesday will be our longest day. We will be visiting the Gilmore Museum in Hickory Corners, MI with lunch, plus a stop for ice cream on the way back!

Wednesday will be the most fun day at the Stahl Auto Museum. There's just not cars, but lots of other very cool music machines. And lunch will be an awesome buffet of chicken and roast sirloin!

Thursday - GM Factory One. This is at this time a problem. If we have more than 50 we can't go there, but we are hoping that mandate gets lifted by GM by our tour. In the meantime, if we can't go to Factory One we will go to Crossroads Village and Huckleberry Railroad, wander around the village and ride the train. We might be able to that either way.

Well, that's enough for now, got fast and safely in your Buick/s. See you in JUNE!!!
Roberta

PS - Dont forget your item for the Silent Auction!

OUR MID DIRECTOR - JERRY RICHSTEIN - BDE #398

Spring is in the air. I can tell by the fact that Jean's allergies are getting worse again. Also by the fact that touring season is finally here again.

Next up on the agenda is the 2022 BCA National in Lisle, IL, and then Roberta's BDE National Tour in Flint, Michigan right after the National. Talk about convenient timing. Jean I will be at both!

I've started some preliminary planning for the 2023 BDE National tour in Mt. Airy, NC but if any of you are familiar with the area, please let me know if there are any venues that you would like to suggest for inclusion, or to avoid.

I'll have more details to announce when we see everyone in Michigan.
Love & Peace,
Jerry

OUR JUNIOR BDE DIRECTOR - JD WESTFALL - BDE #393

Hello Buick Driving Enthusiasts:

A couple weeks ago I had this gnawing feeling in my gut. It was February 15th.

That's right, the day after Valentine's Day. So... I had better pay some attention to Betty. She did not need a bath as she was looking pretty shiny! I know, I'll polish her shoes. Betty was a little thirsty, so I made her an alcoholic cocktail. It was 60 degrees so I put away her heavy, winter coat. The weather was so nice we decided to go topless. Off we went cruising up and down the streets.

And boy did we get the looks of admiration!

No, No, Betty is not my wife, she is our 67 Buick Wildcat. (My wife, Allison, said it was too cold to go topless!)

Time to get your Buicks out and have fun driving them!
J D

AND SECRETARY - BELVA MEYER - BDE #023

Hello Fellow BDE members,

We have had an active winter. Yes, we did get the Reatta convertible out on Christmas Day enjoying the Tampa Bay area and getting Chinese carry out for dinner. A local club, of which we are members, has a 40 year tradition of celebrating New Years Day with a tour to celebrate the "birthday" of our cars. A variety of over 30 cars were out for an enjoyable tour and their occupants enjoyed a picnic lunch.

We also participated in a scavenger hunt hosted by the St. Petersburg Garden Clubs Botanical Tour in January. We traveled on several different streets in Pinellas County taking photos to document our progress and visiting several "new to us" parks. This was a first for the garden club and for us. We hope they will do it again in the future.

A trip across the state to the Mecum auction in Kissimmee has become a yearly event for Sid. He noted a drop in the market value for some older prewar cars. A regular highlight in February was a Saturday tour toward Plant City for strawberry shortcake and ice cream. Another event we attended was the AACA Winter National Meet in Melbourne, Florida. The show was held on the Muscle Car Museum grounds where we enjoyed our time visiting with several BDE members.

We are looking forward to the spring activities where we will see you including the BCA National meet in Lisle, Illinois and of course the BDE tour in Flint, Michigan.

And a Message from the Editor

EDITOR - PAULA LISKA - BDE #2

Spring has sprung in Central Florida. That means A/C in the day and heat at night. At least for me! The leaves are falling along with the oak blossoms. And then there is that yellow/green fuzzy stuff everywhere - pollen! It is an encouraging sign that we are moving towards fun in the BDE!

How about a big welcome to our finally Senior Director - Roberta Vasilow? It was like she, Charlie Steffy, Jerry Richstein and JD Westfall were stuck in some kind of a weird timewarp. Oh yes, and the rest of us, too.

In about three months we will be heading to Flint, Michigan for our anxiously awaited National Tour - the first one since 2019! Roberta has been working hard to get this one to come to fruition. She has had roadblocks that other directors have had to deal with in planning a meet. I've seen the registration form and she has some awesome places to go and things to see. Get your registration in soon, as the meet is limited to only 50 Buicks.

My year kicked off with the usual shenigans at the Mecum Auction here in Kissimmee. There's pictures of some of the Buicks on Page 5. We only went about 4 days this year instead of the usual 10. We had friends, non-Buick, from out of state, join us. They really enjoyed themselves and were totally impressed. They go to local car shows, but nothing like this. How can you compare to 3500 automobiles?

The prices paid were outrageous. The 1965 Shelby GT350R Prototype, chassis 5R002, "Flying Mustang", achieved \$3,750,000 as the top result. No less spectacular was the \$1,430,000 paid for the 1936 White Model 706 Glacier National Park Tour Bus. (Editor's note: See Page 10 for a flashback)

No, I'm not posing with the Blackhawk. I stepped into a hole in the field and turned into a question mark!

The one-of-a-kind 1996 Buick Blackhawk drew an impressive \$385,000 winning bid!

Thank you to everyone who helped with this issue of The Driving Force - Connie Brumbaugh, John Cavanaugh, Bruce & Shar Kile, Belva Meyer, Jerry Richstein, Bill Schoening, Larry Splane, Roger Tyyska, Roberta Vasilow, JD Westfall and those who accidentally slipped under my computer.

Without our members help we wouldn't have a newsletter. If you have something you would like to share just email me - Kliska@cfl.rr.com or via snail mail - 1424 Dogwood Court, Kissimmee FL 34744.

Go BDE!
Paula

Right: Many years ago I actually got sit in the Blackhawk. Cool! But not as cool as the actually driving it . . . RV?

It is with great sadness the we announce the passing of

Al Eichelberger - BDE #51

Al Eichelberger lost his 4-year battle with cancer January 18, 2022. He was 58.

He retired in 2018 after teaching at University High School in Tucson Arizona for 30 years. This is a school for gifted college bound kids, he taught math. Many of his students attended colleges with full scholarships. One of his students was selected as a presidential scholar and many of his students went on to be doctors, scientists, and lawyers.

Al had a love of dogs. We had Airedales and Gordon Setters. He had a Gordon Setter as a kid, and we have had 7 Gordons over the past years and still have two. All of them were acquired as pets. One joy of his was walking them each day he could.

Another passion was cars. He had a knowledge of nearly all cars antique and modern. His favorite make was Buicks. He joined the National Buick Club of America (BCA) at 16 years old. He showed the family's 1965 Buick Skylark which his mother bought new and is still in the family. Al was elected to the board of the BCA and became secretary and then president in 1996-98. We attended many shows and tours of the BCA and the Antique Auto Club of America (AACA). Al was also a member of the BDE and liked to drive the show cars when possible.

During the past 30 years we did complete restorations of 25 cars which we showed all over the country. His vast knowledge of cars helped to correctly restore the cars to award winning status. The newest car that was added in 2019 was a blue 65 Wildcat convertible we were going to use on tours in 2020, but that all stopped with Covid. His favorite restorations were his 1958 Buick Roadmaster convertible and 1965 Skylark convertible.

He is sorely missed, but no longer in pain. He has passed over the rainbow bridge to be with our past Gordons.

Bill Schoening

Condolences may be sent to: Bill at 542 N Country Club Drive, Tucson AZ 85716. bschoening@lsst.org

Editors Note: I first met Al when he joined the North East Ohio Chapter (NEOBICA) in the early 80's. He was just 16 and we called him "Butch". We became fast friends and continued that friendship forever. I last saw him the the BCA National in Midwest City, Oklahoma in 2019, but kept in touch via emails and phone. I miss you buddy, you gave a very brave fight against this horrible disease. RIP "Butch". I will never forget you and all the great times we had.

Dave Seidel - BDE #181

It is with great sadness we share that David Seidel from Altoona, PA passed away Friday, March 11. He fought brain cancer for the past 5+ years. He was a member of the Appalachian Chapter BCA and a group leader or tail gunner for many of the BDE tours held in Pennsylvania. Dave was greatly known for his knowledge of trains. He was rarely seen without his camera. His big black 225 has been missed the past few years on tour.

Condolences and messages may be sent to: Virginia Seidel at 2011 14th Street, Altoona PA, 16601.

If you are aware of an illness, death or other issues of a fellow member who might need some sunshine: Please contact: JD Westfall - pharmboyjd@gmail.com

It is with great sadness the we announce the passing of Jack Horvath - BDE #373

John M. "Jack" Horvath, LTC ret. US Army of Tucker, Georgia, died from cancer peacefully on December 30, 2021, while in Hospice home care. He was 82 years old.

He was predeceased by his mother, Marie M. Priscilla Horvath and his father, Francis G. Horvath.

Jack was born April 27, 1939, in Cleveland, Ohio. He attended St. Ignatius High school, class of '57, and he attributes credit to St. Ignatius H.S. for who he became in years ahead. He attended John Carroll University, class of '61. He was an ROTC graduate and immediately entered the Army at graduation.

Jack married Patricia Sullivan Horvath in June of 1963. They were married 58 years.

He and his family lived in Germany with the Army twice. He had two unaccompanied tours in Vietnam where he had a truck company which transported military supplies from the port of Qui Nhon to the interior of the country. He loved his soldiers and did whatever he could for them. Jack also had one tour in Saudi Arabia as an advisor to the Saudi Army.

He attended the Army Transportation School, The Army Command and General Staff College, and the College of William and Mary. After retirement from the Army, he worked several positions, eventually working as office manager for an insurance company.

Jack belonged to the Buick Club of America, Dixie Buick Club, Buick Driving Enthusiasts and Georgia Cool Cruisers for a Cause. He enjoyed having his older cars restored and enjoyed driving them.

He and his wife volunteered at the USO Atlanta Airport, numerous Georgia National Guard functions, the St. Vincent de Paul Thrift store where he worked the electrical desk, MedShare International, and Missionaries of the Poor, preparing and sending food shipments to Jamaica, Haiti, and St .Vincent. For this endeavor, he learned to drive a forklift.

He was an active member of Holy Cross Catholic church where he served as an Extraordinary Minister of the Eucharist. He also belonged to the Knights of Columbus.

Jack was an avid Cleveland Browns fan and a Duke Basketball fan. He even named his dog, Duke.

Jack is survived by his wife, Patricia Horvath, his children, daughter Mary Catherine "Mary Kay" Hannah and her husband John and granddaughter Rosa Maria Hannah of NC, daughter, Helen Rita Horvath and her husband Kenneth Jones of Alameda, CA, his sister Kate Maruszak and husband Paul of San Diego, CA, and many, many cousins and friends and his dog, Duke.

In lieu of flowers, donations may be made to the USO Georgia, Suite 320 Terminal Atrium, Box 20963, Hartsfield Jackson International Airport, Atlanta, GA 30320; or to the Holy Cross Catholic Church Troop Support Ministry, 3773 Chamblee Tucker Road, Atlanta, GA 30341 or to any of the other organizations where Jack volunteered listed above.

Since Jack donated his body to Emory School of Medicine, there was a Memorial Mass on Saturday, January 15, 2022 at Holy Cross Catholic Church.

Condolences can be sent to Patricia Horvath, 2748 Peppermint Drive, Tucker, GA 30084 or jnphorvath@gmail.com

In 2016 the BDE participated in the Flags Across America Program. Jack and Pat helped plant American flags in various locations as we toured different areas

Special Item Being Featured at BDE Silent Auction

A silent auction is held each year at the Buick Driving Enthusiasts National Tour as a fundraiser for the club.

The 2022 event,
HOMECOMING
 Flint,, Michigan
 June 26 - 30, 2022
 features this special item.

This commemorative 100th Buick Anniversary quilt will be on the auction block. Featuring Buick logos from 1908 to 2003, the quilt was designed and created by Maxine Bunker of the Mile High Chapter (Colorado). This one of a kind quilt is approximately 2.5' x 4' and in excellent condition.

Colors may be different to those appearing here due to newsletter or computer printing issues. Surely a treasure to both Buick and quilt aficionados.

Come see it in person and place your bid!

And don't forget your item to be included in the Silent Auction!

What a Coincidence!

Seeing that a 1936 White Model 706 Glacier Park Tour Bus sold for **\$1,430,000** at the recent Mecum Auction in Kissimmee triggered an old memory. Search my "BDE to be used someday files" I found these old photos.

Bill Schoening - BDE #51 drove a 1936 White tour bus in Glacier Park summers for a couple of years when he was in college around 1965.

Left: Bill with bus #104 circa 1965

Right: Bill with the same bus during a visit to Glacier National Park in 1994.

It's a good thing he took good care of it!
