OUR SENIOR DIRECTOR - JD WESTFALL - BDE #393

Morning Fellow BDE'ers,

Wow, Did we have a great Mayberry Tour! We had so much fun that Allison asked if we could stay another day.

The hotel accommodated at the group rate. We saw Floyd Jr cutting hair, had another lunch at Snappy's, and took the Police Cruiser ride again! A different driver with a different discourse on Mayberry. We were told Aunt Bee had a multi-year feud with Andy and years later when she was 89 and in failing health, she called Andy to ask for his forgiveness. Andy said it was not necessary as was his mannerism.

Anyway, 3 cheers to Jerry and Jean for a great tour!!!

Next up on the BDE Tour agenda - the BDE Fall Tour "Buicks in the Upper Cumberland" - September 17 - 21, 2023 - Cookeville, Tennessee.

JD

OUR MID BDE DIRECTOR - DARRELL BRUMBAUGH - BDE #143

Hi Everyone!

I hope everybody survived the spring National Tour. A big thank you to Jerry and Jean for hosting a fun filled week of touring.

Congratulations to our new club officers. Thank you for stepping up and filling the vacancies. First time Director Bruce Kile and first time board member Jerry Richstein as Treasurer. Welcome!

Let's get those Buicks out and run them! It's hot and dry here, so there's no excuses about leaking trunks, tops, or windshields!

We're looking forward to the Fall Tour in Cookeville, TN. Hope to see you there.

Darrell

OUR JUNIOR BDE DIRECTOR - BRUCE KILE - BDE #11

Hello Fellow BDEers

I am honored to have been elected to the position of Junior Director. At my age being referred to as a "junior" anything is certainly an honor and a new experience, too. Please feel free to address me by that title, or if you prefer, a simple "JR" will do.

For those of you who don't know me, I'm the gray haired (old) guy who has been co-habiting with your club sales coordinator (and former Treasurer), "Shar", for the past 65+ years.

I will (try to) do my best to execute all, or most of, the duties of the junior director, as soon as "they" decide what all those duties are.

In the meantime, Shar and I will be attending the BCA National in Spokane, Washington in July. Of course we will be driving a Buick there. We are inviting anyone who would like to join our "1 Buick caravan" to give us a call. We're planning to leave (from Georgia) on July 5th .

So, if we don't see you in Spokane, we'll look forward to seeing you in Cookeville, TN. Sept 17 th for the BDE Fall Tour. Registration in this newsletter.

God Bless & "Go (tour in a) Buick"
Bruce - aka "Junior"

SECRETARY - BELVA MEYER - BDE #023

First, I would like to thank Jerry and Jean, Darrell and Connie and others that made the "Return to Mayberry" a wonderful experience. We enjoyed the town (ice cream of course), the ride in the sheriff's car, the drives in the countryside, and the many venues we visited and time with friends. I appreciate how the BDE has given us the opportunity to visit another "spot" in our great country.

We have been busy since our return to Indiana. We soon loaded up the truck and trailer for our trip to the 40th Buick GS Nationals with its beautiful car show, lots of racing and, most important, time with friends. We look forward to seeing some of you at the Tri-Regional meet in Pennsylvania, the BCA National meet in Spokane, and maybe even the AACA Spring National Show in Auburn.

Not much gardening this year with all the travel plans but I do have two tomato plants that I hope survive to give us a few fresh tomatoes.

Please enjoy safe travels and we hope to see you soon.

Belva

MEMBERSHIP CHAIRPERSON - ROBERTA VASILOW - BDE #17

Hey BDEer's Happy Summer!

It's only June and it's been mighty warm in Michigan, enjoyed seeing everyone in "Mayberry"!

Nothing too exciting going on here! Getting ready for the Back to the Bricks Promo Tour and then the June 24-25 weekend with too many things to do and may not do any of them except maybe run over to Kalamazoo for the Riviera Owners Association International Meet for a day, will see.

Stay safe this summer and be cool in your Buicks.

Roberta

EDITOR - PAULA LISKA - BDE #2

Hi Everyone!

I am so glad I decided to "Return to Mayberry", our BDE National Tour. It was great to see my BDE friends and make some new ones, too. Also, going somewhere where life is simpler was therapeutic for me . . . lots of laughs and memories in the making.

Kudos to Jerry and Jean Richstein, Connie and Darrell Brumbaugh and the rest of the crew for making this happen. Each time we embark on a new BDE adventure, we experience places and things we may have not done before. Life is so short. Why not enjoy it to the max?

Thanks to the people who helped make this issue of The Driving Force possible including - **Connie Brumbaugh, Bruce Kile, Belva Meyer, Inez Norgard, Jerry Richstein, Roberta Vasilow, JD Westfall**, and those who accidentally omitted. I truly hope I haven't forgotten anyone.

Photo credits go to **Connie Brumbaugh, Rich Gibbs, Bruce Kile, Inez Norgard, Charlie Steffy** and a few others.

We wouldn't have a newsletter without our members help and contributions. If you have something you would like to share just email me - Kliska@cfl.rr.com or via snail mail - 1424 Dogwood Court, Kissimmee FL 34744.

PLEASE NOTE: ALL NEWSLETTERS WILL BE EMAILED TO MEMBERS UNLESS YOU REQUEST OTHERWISE (or do not have an email address). THANKS FOR HELPING US STAY ON BUDGET!

“Things have changed so much.
People walked away from a simple life we had in the '20s and '30s,
and I am glad that I am able to touch that period
in our lives with the shows that I do
and with the music that I do.”

MEANANDERING MAYBERRY

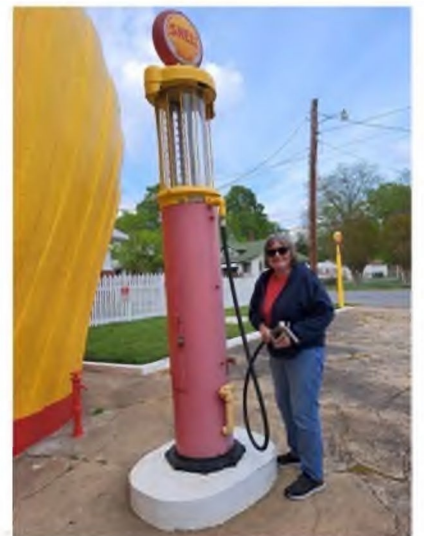

Another plus of the BDE tours is the Early Bird Tour. But even before we headed to Winston-Salem for that event, we traveled back in time to Rockford, NC - home of Rockford General Store, where childhood “penny candy” is king, as well as familiar and obscure brands of soda in glass bottles. And just our luck, fried pies were fresh out of the skillet!

Having excess energy and consuming more junk than mom would approve of, we wandered southeast to Winston-Salem to visit a couple of the more unusual sights.

This single-story Shell station, in the shape of a giant scallop shell, was built by R.H. Burton and his son, Ralph, in 1930 at Spague and Peachtree Streets. The owners of the oil company decided to attract customers through a series of shell-shaped service stations. Eight were built, but this is the only one remaining.

And if that isn't enough fun, how about the Mickey Coffee Pot, a large tin coffee pot, another local landmark in Winston-Salem. It was created in 1858 by tinsmiths Julius and Samuel Mickey as an advertisement for their tin shop on South Main Street. The pot's original location on the curb caused it to be hit by wagons and cars. After the pot was damaged by a car in 1920, city officials attempted to keep the sign from being restored, as it was considered a safety hazard and illegal advertising. However, after local protest, the coffee pot was restored on a post farther from the street.

SUNDAY, APRIL 16, 2023 - EARLY BIRD EVENT

Before we tour, we often pre-tour. This year's was more than just a tour. It was a culinary and cultural experience. What a fantastic way to kick off a BDE National Tour . . . true Southern Hospitality and a Low Country Boil at the beautiful home of Rhett and Sarah Spencer in Winston-Salem. Dinner was mouthwatering and delicious, but the experience was beyond compare. Rhett and his son provided the BDE members with extraordinary food, while Sarah was the "hostess with the mostess" welcoming everyone and making them feel totally at home.

Thank you Rhett and Sarah for welcoming the BDE into your home and your incredible hospitality.

What an amazing start to our 2023 BDE National Tour.

Squad Cars, Andy Griffin Museum, Lunch at the Rusty Rooster and the Earle Theater

While sitting in the back of a vintage squad car in front of Wally's Service Station I couldn't help but wonder how many BDE'ers had actually been in the back of a real squad car. So, as one member I hadn't met before, slid into the seat beside me, I asked "Have you ever been in the back of a squad car?"

His response?
"Without handcuffs?"

TUESDAY, APRIL 18, 2023 - DOWNTOWN MT. AIRY

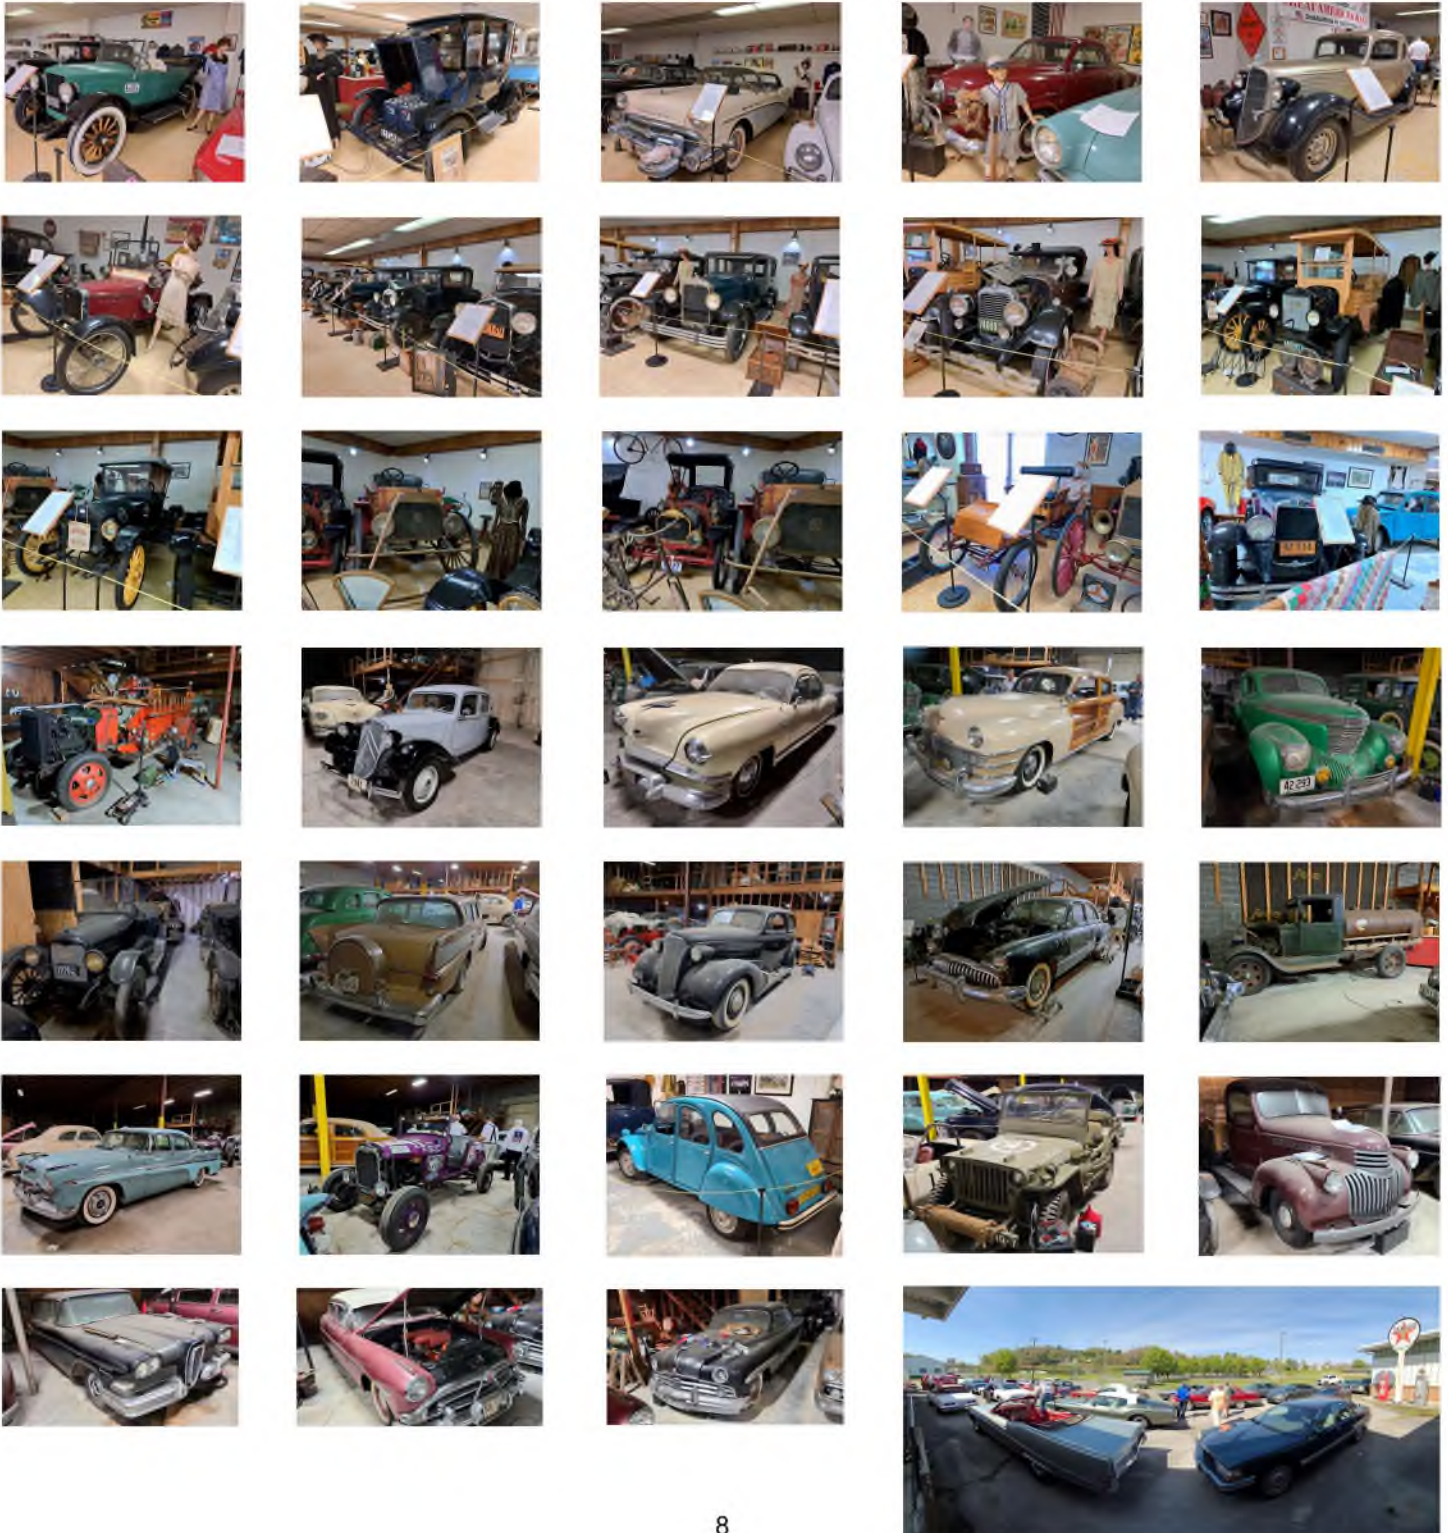

Mt. Airy Museum of Regional History and Dessert & Ghost Stories

While displaying our Buicks on Main Street in Downtown Mt. Airy, we had the opportunity to visit the 35,000 square foot Mount Airy Museum of Regional History, eat in one (or more) of the delightful restaurants, explore the shops and, of course, indulge in some ice-cream! The museum was brimming with historic and cultural exhibits and more. We returned to the venue later for an evening for dessert and ghost stories in the shadowy environment of the 115 year-old building.

WEDNESDAY, APRIL 19, 2023
Old Cranks Motorcar Museum

Wednesday kicked off with a day of touring for the BDE in our Buicks to the Old Cranks Motorcar Museum in Galax, Virginia. What an eclectic collection - more than 70 vehicles from 1906 to the '60's - collected by one man with incredible knowledge of his cars, and so willing to share. Manniquins in vintage clothing, memorabilia and much more are on display. The showroom was filled with pristine examples of various marques, but through a door was another area (garage/ workshop/storage) with some really rare examples of automotive history. Some were polished but others were original and unrestored. What an amazing opportunity to see vehicles - dusty, tucked away and preserved.

Pilot Collection of Automotive Memorabilia -
Pilot Mountain, North Carolina

What a surprise! WOW! Words cannot describe this private collection of automotive memorabilia. The BDE was so fortunate to be invited to see this gentleman's multitudes of acquisitions. On a personal note, this was the "icing on the cake - with a cherry on top" of the entire tour for me!

Kudos to our tour hosts for providing this opportunity.

THURSDAY, APRIL 20, 2023 - BANQUET

White Sulphur Springs Event Center
Mt. Airy, North Carolina

There comes a time when the fun must end. And what a great way to finish a great tour. The event center was such a vast contrast to our usual hotel banquet accommodations and truly appreciated.

A good meal, business meeting, election of officers, awards and more. Topping off the evening, before we bid farewell to old and new friends, was a banjo concert by BDE's own Don Winebarger. A good time was had by all!

It was the BDE's pleasure to honor Shar Kile for her service and dedication for an incredible 25+ years as Treasurer!

Shar was presented with a plaque by outgoing Senior Director, Jerry Richstein.

(Photo recreated - left)

Jerry was elected to the position of Treasurer.

This year's Founders had two recipients - Charlie Steffy and Roberta Vasilow.

This award honors a member who best exemplify the spirit and deed originally brought to the BDE by the founders.

Senior Director Jerry Richstein presented Dan and Tammy Christensen with the

"Longest Distance Driven in the Oldest Car" Award.

The Dixie Chapter BCA will be the proud hosts of the 2023 Southeast Regional Meet, (a touring event). The tour is based in beautiful/historic Milledgeville, Georgia.

Wednesday, the 25th is the "check in" & get acquainted day.

Thursday and Friday are full tour days. The main event for Thursday is the famous Warner Robbins Air Museum.
